Report of Principal and School Improvement Council

Port Royal Elementary has experienced an extraordinary year in 2009-2010! We continue to thrive as a small-town, neighborhood school in the center of the Town of Port Royal. Although Port Royal Elementary was founded in 1911, the teaching and learning that occurs in the school today is very 21st century! Literacy and numeracy, enhanced through the use of technology tools across the curriculum, are our priorities as we prepare our students for the next 100 years.

Port Royal Elementary achieved Adequate Yearly Progress (AYP) under the federal "No Child Left Behind" criteria, and student learning continued with a laser-like focus on SC Curriculum Standards. Full implementation, in every classroom, of the challenging Everyday Math Program, with the support of our Math Coach, has resulted in very successful student growth; 100% of grade levels met target growth goals from fall to spring on MAP assessments. Initial implementation of the District Balanced Literacy Plan, targeting kindergarten through second grade under the leadership of our Literacy Coach, has resulted in significant growth in student literacy. An independent reading block in all grade levels, with explicit instruction in selecting "just right" books, has resulted in increased interest in reading and book circulation in the Media Center is skyrocketing; our issue now is with having enough books for the students to read! Our schoolwide "Read Across Port Royal Day" was a great success, with guest readers, families, neighbors, faculty, and staff joining us in celebrating the joy of reading and our pledge of "Gotta Keep Reading." Technology proficiency with Promethean Boards in all classrooms, student response systems, digital cameras, XO laptops, publishing software, and classroom computers is evident in the daily use of these tools by teachers and children in prekindergarten through fifth grade. Our fifth grade team finished fifth in the state in the online Elementary Stock Market Game and was recognized as the highest ranking Port Royal team by Mayor Samuel Murray.

The School Improvement Council also focused on safety this year, which resulted in more efficient and secure arrival and dismissal procedures. School strategies continue to focus on increasing the literacy, numeracy, and technology proficiencies of our children while creating a school culture that supports the personal growth of each child. Although the economy has strained many of our families and students, we have strived to provide a stable, positive atmosphere that is responsive to our children's needs. Family participation continued to be very high as record numbers of parents and families crowded in for our evening student performances and joined us in celebrations such as the Fall Festival, the annual Town of Port Royal Tree Lighting Ceremony, and the Soft Shell Crab Festival. Town neighbors proudly lined the streets for the parade and celebration of our military relations when the U.S. Marine Corps Band performed for us in the fall.

As we look to next year, we will continue to increase the effectiveness of our communication and relationships, to target and increase the learning of our struggling students, and to implement a schoolwide Positive Behavioral Interventions and Support program. As always, we will continue to do what is best for our children and to help them learn to the highest of their abilities.
